

Friday 8th March 2024

### **STEM week**

This will be happening for all year groups except year 6 the week of the 11<sup>th</sup> March.

There will be workshops throughout the week that you will be able to attend to help.

Reception Tuesday 8.45—9.30am & Wednesday 8.45—9.30am

Year 1 Wednesday 2.30pm, Thursday 9am—10am and 2.30pm

Year 2 Thursday 2.30pm

Year 3 Thursday 9am

Year 4 to be confirmed

Year 5 to be confirmed

Year 6 STEM week will be after SATs

Please check the year group website for more information.

### **Parents evenings for years reception to year 5.**

Thank you for your patience earlier in the week. Going forwards we are hoping this way of signing up to parents evening will be much more efficient and easy for everyone- plus it saves on paper; which is great for the environment and school costs. The day before you should get an email reminder and then again an hour before your appointment.

### **Swimming**

We have started at the Feel Good Centre with year 3 this week. Unfortunately, the pool staff, after the first session felt that they could not accommodate two classes in one session like we had booked. This has meant we have had to space out the year 3 swimming and postpone the year 2 swimming.

### **Ramadan**

If your child is in year 5 or 6 and would like to fast at school during Ramadan you must sign up on the app. We will not be calling parents to check if it is ok if a child asks to fast and it isn't on the app. The only children who will be able to do it will be those who sign up to the APP.

**Pick pockets** - I have mentioned it in previous newsletters; please be careful when outside the school and on your phones. Unfortunately there are pick pockets and phone thieves operating in the area.

**World Book Day** - official day Thursday 7th March. Due to swimming and other activities we have said that the children can come in their book character costumes on **Monday 11th March**. This is totally optional and the children do not have to take part. They can wear their favourite colour if they wish to.

Thank you to the PTA for doing organizing a lovely gift for mother's day.

It would be great for more parents to help at with the PTA. Please just hand in your details to the office and they will give them to one of the PTA members to get in touch.

Parent Council  
There will be a meeting on Tuesday at 9am on the North site.  
We will continue to work on the parent code of conduct. If there is anything else you would like to discuss please email me at  
Headteacher  
@misisongrove.org.uk

I would like to take your photo on Tuesday to put on the website .

Have a great weekend Happy Mother's Day.

## Red Nose day

Friday 15th March

We are selling red noses– the price has gone back down to £2. The school council will be meeting the first week back to talk about fun events .

### Comic Relief

The School Council have suggested numerous ways we can raise money for Comic Relief. It has been decided that we will run a sponsored danceathon, hold a bake sale in which children can bring in homemade cakes to sell, and also submit jokes for our very own Mission Grove Joke Book.

### Danceathon

There will be a danceathon held at 8am on Friday, 22nd March on both sites, to see who can dance non-stop for a full hour. If children want to take part a sponsor sheet will be available to complete on the app and they can begin collecting money this weekend.

### Bake Sale

Children may bring in homemade cakes to sell at the end of the day on Thursday 21st and Friday 22nd. Suggested prices are 50p for a cupcake, £1 for anything larger.

### Joke Book

Any budding comedians may submit a joke to be published, along with their first name and age, at a cost of 20p, which will be made into a book to be sold at a later date.

All proceeds will go to Comic Relief.
