## Mission Grove

### WEEKLY NEWSLETTER

Welcome back,

we hope you had a good Easter break and made the most of the sunshine. We are keeping our fingers crossed that the weather will be nice tomorrow for our annual Big Dig. If you are free tomorrow between 10 and 2pm and fancy spending some time weeding, digging and planting then please come to the Mission Grove Road Car Park gate to join some of the staff.

There will be a barbeque and lots of fun.

Hopefully some of you will noticed that we have removed the old wooden, picket fence from Buxton Road and the area is looking much better. We hope that people walking past will notice how nice it looks and not drop litter and there household waste there.

#### Arts at Mission Grove and Borough of Culture

During the holiday we had a large canvas by the artist David Leapman installed in the Year 6 block. It is titles Receptacles and is part oOf the Government's art collection. It is painted in bright, DayGlo colours with two forms floating in green space.

We are also working alongside the artist Shiraz Bayjoo. Max particularly likes doing a day full of art and Poppy has enjoyed the collage work. Next week they will be doing some filming with Shiraz. This will lead in brilliantly with our Film Fortnight that we have coming up and the Arts Trail 2019 as we are focusing on the Wonder f Walthamstow through film.

The arts trail starts on Sunday 2nd June and finishes Sunday 16th June. Our film festival will be from 3rd June until Friday 14th June. If Art and filming is something that you are interested in and have some free time please email the office at [office@missiongrove.org.uk](mailto:office@missiongrove.org.uk) with when you are available to help.

Purple Zone Permits

From the 1st April it will not be possible to renew a school drop off permit or apply for a new one. I have been informed that this is due to continuing pressure brought about by congestion and higher volumes of traffic around schools.

We are taking part in the Big Dig again. On Saturday 21st April we will be opening our doors to children, parents, grandparents and volunteers to help us in the Wild Life Garden and the front of the Nursery on the North. If you are available anytime between 10am - to 2pm and fancy having a dig, planting some seeds and helping tidy up the pond we would love your help. We are also looking for companies who may be able to donate compost, top soil, seeds, shrubs or any gardening equipment. We look forward to seeing

you in wellies with sun cream and a sun hat tomorrow. Refreshments will be provided for willing volunteers.

Well Done Millionaires!

We have another 5 children who have joined the Million word reading club. Well done Thara , Eshal and Binyamin. Hopefully, we will have pictures of the other 2 on next weeks newsletter.

Lots of classes have enjoyed their trips to the local Library. Not only is it a fantastic free resources, the library is also hosting a picture from the Government Art Collection. It is definitely worth a look.

We do have some readers who have past the 3 million word mark! We really do love reading her at MG.
