Monday 10th—14th Year 1 phonics screening

Thursday 13th Quad kids

Curriculum Governors

Parent Council meeting

Art trail viewing, school open

Friday 14th Tour de Waltham Forest

Keep the date : **Saturday 6th July—Summer Fair**

Don't forget to book a place at the holiday club. We can only take pre-booked children. Please don't think that you can turn up on the day and be guaranteed a place. We have lots of children coming from other schools and have a set number of staff for the club.

You can pick up an application form from the office or the from the website.

WEEKLY NEWSLETTER

Read for Good Readathon 2019!

This year, we will be holding a Readathon from Monday, 3rd June to Monday 17th June. It is a great way to encourage the children to read even more than they have been! If they are AR books they can also quiz on them and get more minutes and quiz points.

We are hoping to raise money for children in hospitals, so that they can have books and storytellers while they are ill. 20% of all monies raised will go towards purchasing new books for OUR classrooms.

You can ask anyone to sponsor your child—simply head to readforgood.org/sponsor and search for Mission Grove Primary School. Unfortunately, only one address can be registered per school, which is why it states North Site.

Please return your sponsor card and any cash collection on Monday, 17th June to your child's class teacher.

Thank you in advance.

Sarah Beath, Literacy Coordinator.

<https://ukhosted82.renlearn.co.uk/1894514> quizzes taken in the holidays do count.

David Leapman @ Mission Grove

The children have been inspired by the artwork we have and are looking forward to meeting him.

We are working with the Borough Of Culture to try and get the artist in to work with the children and inspire them even more.

Keep the 13th June free as we will be hosting our Artstrail projects, all about The Wonder of Walthamstow. Pick up an Artstrail brochure from the office.

Another fantastic home project from Chloe in year 3. The children have been looking at the Stone Age and the settlement Skara Brae. One of the activities they enjoyed at school was making clay jewellery.

I look forward to seeing more homework projects when we return after half term about 'The Wonder of Walthamstow'.

Walk to school week
The children, as always, have taken the walking to school week with masses of enthusiasm and energy. We have, unfortunately, had some complaints from residents near the souths site

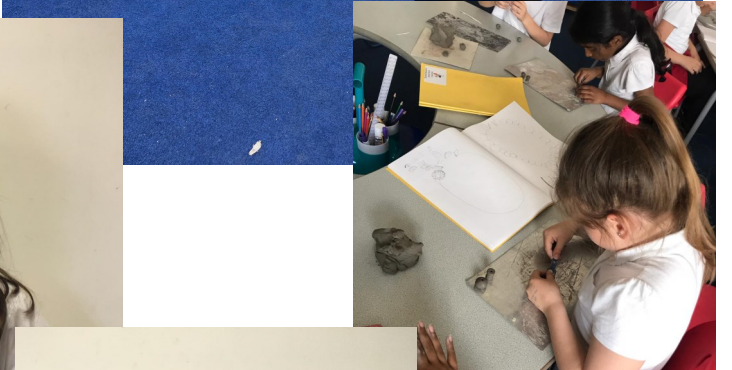

Summer Fair

Please remember that we will be having our annual summer fair on **Saturday the 6th July from 11am to 3pm.** There will be various stalls, games and refreshments. We will be putting an APP form out asking if you would be interested in having an estate agents board advertising the event outside your home. We get paid a generous amount from the Estate Agent for every board that we have so please enlist family and friends to have one too.

There will be a raffle and so far we have iPad as a prize. If you have any ideas for the summer fair please let any member of staff know or drop us an email. Also, if you can help between 10.30 to 1pm or 1pm to 3.30pm to help set up, then man a stall and help clear up at the end that would be greatly appreciated. Again please speak to a member of staff or email the office.

The money that we raise for the summer fair helps subsidise trips, pay for all of Reception to year 3 to watch a pantomime and year 4 to 6 to go to the theatre. We would also like to invest in some chrome books and financially do not have great amounts in our school budget for this expense. Every little helps but we need you all to help.

4 Poster winners

School Captain Kamran set a competition about 'Being Kind' and he picked the 4 lucky winners.
