WEEKLY NEWSLETTER

The activity clubs will not be starting until the 1st October. There will be 10 sessions this term. Some will be free and some will be paying clubs. We are trying to introduce various different activities across the 2 sites. Each club will have a maximum number, if there are more children then they will go on a waiting list. If we do not get the take up for the paying clubs they may be cancelled.

Signing Up—Each year group will have the chance to sign up for the clubs during their coffee morning. The dates for the coffee mornings are on this newsletter and on the website. Next week we will have the final list of activities but so far I can tell you we have

Year 2

This half term the children in Year 2

Are learning about the Great Fire of London.

They have been learning about why it spread so fast and the style of the buildings. They went to the wildlife area to have their own fire. If your child comes home and wants to learn more by visiting pudding lane, researching on the internet or going to the library about their topic please bring in what they have learnt to share with the class.

Please remember to read daily with your child and help them learn their times tables.

A Healthy School

We try and promote healthy living at Mission Grove. All children now have their own water bottle. Salim and Mohammed work hard on the meal menus to ensure they contain all the nutrients that children need. As well as 2 hours of PE we also do 5 a day activities and extra activities. The children in the Early years have fruit and milk daily. The children in years 1 & 2 have fruit daily. We have noticed a great increase in the number of parents come at home time with not so healthy options. One dad brought in a box of chicken and chips earlier in the week. We appreciate that your child may be hungry as they are walking home but we should not be seeing all of the sweet things and chicken and chips in the school. We do have the odd occasion when we have treats ; like next weeks disco, but generally we are a very healthy school.
