8th April—22nd April Easter Holiday

18th April Reception 2019 Offer day

Tuesday 23rd Children back at school

We have just finished one Holiday Club and are already taking bookings for the Easter Club.

Don't forget to book a place at the holiday club. We can only take pre-booked children. Please don't think that you can turn up on the day and be guaranteed a place. We have lots of children coming from other schools and have a set number of staff for the club.

You can pick up an application form from the office or the from the website.

WEEKLY NEWSLETTER

Thank you to everyone who came along to read with their child on World Book Day. Hopefully you enjoyed listening to your child read and possibly got to sample one of the bagels. Magic Breakfast supply us with 1/4 or 1/2 a bagels for the children for a breakfast snack. The Chefs warm them for the children and bagel monitors collect them every morning from the kitchen and take them back to class. If you want to find out more about Magic Breakfast or make a donation please visit their website

<https://www.magicbreakfast.com>

STEM WEEK

From Monday 11th—Friday 15th we will be focusing lessons on Science, Technology, Engineering and Mathematics. You are welcome to come along to join in the lessons and activities with the children. The timetable of events and activities is on the website if you click on news and events and then the STEM tab on the left hand side. It is also on the

APP. We have Sublime Scientists coming in on Monday, the return of the Year 6 Robot Wars and many more amazing STEM activities. Don't forget to follow us on twitter to see what is happening if you can't come in.

ATTENDANCE

Please remember an attendance record of 90% might seem good but is equal to one day missed per fortnight! If this continues from Year 2 to 6 a total of six month's education will be lost. An attendance record of 80% might seem acceptable but is equal to one day missed per week!! If this continues from Years 2 to 6 a total of one year's education will be lost. Children only attend school 190 out of 365 days a year, only 52%. Make every day count. Well done to Bullfinch class who have 97.7% since September.

Term Dates

The dates for the academic year are on the website. We finish this summer on Friday 19th July at normal time. As always there will be no after school clubs. The children return to school Monday 7th September.

Comic Relief –Friday 15th

On Friday 15th March we will be supporting the charity Comic Relief. The School Council have met and chosen various different fundraising events to happen on the Thursday and the Friday. We are selling the Red Noses for £1.25. On Friday 15th we would like the children to wear as much RED as possible.

Star Bakers Needed!

Are you the Star baker in your house? If so, please support us in raising money for Comic Relief by baking and donating some delicious cakes, brownies or anything else you fancy for our bake sale, which will be held on Thursday 14th and Friday 15th in the playground after school. All the money is going to an important, worthy cause so roll up those sleeves have some fun doing something that will help make a difference.

N.B- If you do bring anything in for us to sell, please bring in a description of what it is along with ingredients so we can highlight any allergy information.

Homework Projects

We have had some amazing projects brought in in last couple of weeks from children who have been inspired to do things at home. Although we no longer send home work for children we would like them to read everyday and also practise their timetables. If they do want to do a mini project linked to what they are doing in class or something that they have been interested in at home we would love to see it. We have sent 2 more amazing designs off to the walk to school badge competition.

TT rockstars

The classes have timetable battles in classes and the next competition will see year 1 challenge year 2 classes, year 3 challenge year 4 and year 5 against year 6 .

Borough of Culture

Check out the website <https://wfculture19.co.uk> to find out what events are happening linked to the Borough of Culture. As a school we will be getting involved in various events.

One very exciting project is working with the artist Shiraz Bayjoo. The commission for Art Night will explore real and fictional figures from Mauritian, Madagascan, and British colonial histories; drawing upon Bayjoo's research and practice on European legacies throughout the Indian ocean region. The work will be made in collaboration with young people from Mission Grove Primary School in Walthamstow considering the UN's convention on children's rights and set against a dystopian landscape of failed states and ecology. Filmed on 16mm, participating young people will perform in costumes and masks inspired by characters in the narrative and designed in collaboration with a group of fashion designers based in the UK and across the African Union. Co-commissioned and co-curated by Iniva (Institute of International Visual Arts), the work with young people will be facilitated through the use of Emotional Learning Cards, developed by Iniva Creative Learning which encourage emotional literacy.

More million word readers!

Well done to Hasanain and Iqra doing well in their reading and joining the club.

The week in Pictures

Thank you to Blackbird class for their assembly celebrating International Women's Day.
