

Thursday 13th November 2025

I forgot to mention on last weeks newsletter that this half term we are focusing on the integrity in our values. The children can gain certificates when they have been showing honesty , having strong moral principles and demonstrating high standards. It was so nice to talk to a dad at parent's evening and hear how proud he was of his son achieving one of the awards this week.

The book fair has been a great success on the North site and will be arriving on the South site today. The children will have chance to look and shop during the school day but there will also be time after school for parents to come along. Please check the app for the timetable.

Next week we will be looking at Road safety. Mrs Ahmed and the schools travel ambassadors will running assemblies and getting the children to think about road safety, and how to be seen in the dark. There are some top tips from them further on in the newsletter. On Friday they would like the children to wear their brightest clothes to be seen!

Our support of INTO FILM Festival started this week with the children in year 3 and Reception heading off to the cinema. They had a great time and have been writing some reviews of their thoughts on the films. Who knows we may have the next Barry Norman in school—for those of you as old as me you will know who I mean!

Thank you to the Parent Council who came to meet with myself and Miss Harper on Tuesday. We looked at Power Maths and discussed the maths results in the SATs and what we are working on to improve the outcomes for future years. One request was that we run some maths workshops for parents. This will start happening in the new year so watch this space.

The PTA also met on Tuesday and started planning the Christmas Fair. It will be on Monday 15th December after school on the North site. There will be food drink, singing, games, arts and crafts and much more. If you know anyone who would like to have a stall please get them to contact the office, but we will not be having outside food or toy stalls. If you have any ideas for the fair please let the office or the PTA. The friends of Mission Grove will be looking to get some raffle prizes, so if this is something that you can help with please let us know. On the app in the next few days we will be putting the form requesting you to have an estate agents board outside your home to help raise funds. Hopefully, you have all managed to have a meeting with your child's class teacher. If you haven't the teachers will be calling you to request a conversation.

Tomorrow we will be celebrating Children in Need and the children can come in their pyjamas. I will not be on site but completing some work with Google so I hope you all have fun!

Happy Pudsey day. Miss Jennings—Headteacher

Remembrance Day

Crow class created a piece of art to commemorate Remembrance Day. They listened to stories, handled artifacts and tried on a steel helmet and woolen tunic. "Its scratchy. It's very heavy. It's not like my coat."

The annual poppy displays looked amazing again.

Thank you to everyone who contributed to the art work and the donations for such a fantastic cause.

Mrs Atwal did assemblies this week explaining to the children why it is so important that we have Remembrance day.

1. Stop, Look, Listen, Think!

Before you cross any road:

Stop at the edge of the pavement

Look both ways- left right and left again

Listen for traffic you may not see

Think-is it safe to cross

2. Always Use a Crossing

Use zebra crossings, pelican crossings, or school patrols.

Never run across the road-walk briskly and straight across

3. Be Bright, Be Seen!

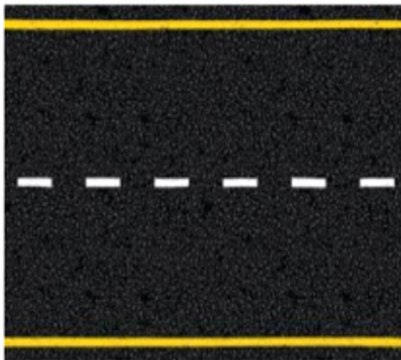

Wear **bright or reflective clothes**, especially in the dark or bad weather.

Use reflective clothing for bags and bikes.

ROAD SAFETY

Tips to stay safe on the road :)

ALWAYS check the traffic has stopped before crossing the road.

NEVER cross the road between two parked cars.

ONLY cross when the green man shows.

Road safety

Crossing roads

Always try use pedestrian or zebra crossings when crossing roads.

Wait patiently to cross the road.

Hold an adults hand when crossing roads.

Make sure to look both ways when crossing a road

Road Safety Tips:

For Riding in a Car

1. **Always wear a seatbelt** – Even on short trips.
2. **Use a booster seat** – Until you're tall enough for a regular seatbelt to fit properly.
3. **Never distract the driver** – Stay calm and quiet while the car is moving.
4. **Get in and out safely** – Always use the door on the pavement side, not the road side.

For Cycling or Scootering

1. **Wear a helmet** – It protects your head if you fall.
2. **Check your bike or scooter** – Make sure brakes and tires work properly.
3. **Wear bright or reflective clothing** – So drivers can see you.
4. **Ride in safe places** – Like bike lanes, parks, or quiet roads with an adult.
5. **Follow traffic rules** – Stop at red lights and look for cars at driveways.
