Film Week

The children have been having great fun this week in their learning. They have been researching how animation films are made and learning about camera angles, props, sound tracks, story boards and much more. In classes they have decided whether they are doing class, group or individual films. Next week they will watch their classes and vote for the one to go into the final for judging. Due to the hectic calendar we have put the Mission Globes back until Friday 4th July. As year 6 are at PGL, they will have a ceremony later on.

PGL week

Ms Khan and 34 year 6s will be leaving school at 8.45 am. On Monday for a week of adventure at PGL on the Isle of Wight. Please make sure that you are in school for 8– 8.15 am. There was some confusion about taking shorts, yes the children can take shorts, but they must have long trousers for some of the activities. The remaining children will be having an activity week including, ice skating, bowling & a trip to the cinema for £25. This can be paid at the office or on parent pay.

Reception 2025

We have been welcoming new reception children in school this week. They will be starting full time in September. There are still some vacancies for our Reception on both sites for September. We actually have vacancies in all year groups across the 2 sites. Year 1 is full on south. So, if you have any friends or family who live local and are needing a school place get them to apply at walthamforest admissions.

I can't believe that we are in July next week and that we only then have 3 weeks and 3 days left.

Please do not request time off before the end of term.

We have too many things happening; like meeting the new teacher, parents evenings, summer fair, more come dine with me and the house point winners trip.

Summer Holiday provision

There will be a 4 week scheme during the summer holidays. The cost will be increasing due to the increase in salaries and consumables.

The new price will be £25 for the normal daily session 8.45– 16.45.

The cost of lunch will be £3.00 per day. **Bookings are being taken now.**

Thank you to Cuckoo Class for an amazing assembly. The children used sign language, sang, reminisced about their time in reception. There wasn't a dry eye in the house.

Have a great weekend,
Miss Jennings
