

The weather this week has been all seasons in a day. Please make sure that children do have an appropriate coat with them. Apologies for any confusion with the poems for the poetry slam. Class teachers either posted the poems in google classroom or they brought home a piece of paper with them on. I wrongfully stated that they were on the website.

The choir have an amazing opportunity to sing songs written especially about Waltham Forest at Soho Theatre. We have been practicing and the children have been giving up part of their lunch hours for rehearsals. A letter will be coming out to the choir and tickets will be available to buy. It will be at 2.30pm on the 30th June.

On Wednesday 17 children represented MG at a dance competition. "The dance competition was an amazing experience for the children. I am so proud of them all. They worked hard to learn the choreography and performed to an audience with confidence and teamwork. It was an honour to watch the team perform and they received positive feedback from the judges. Well done girls, I am very proud of you all!" – Miss Becky

Amelia: It was very cool because the experience of being able to perform in front of an audience. It felt like I was on Britains Got Talent!

Layan: I really enjoyed being there because it was extremely fun. For example, before we were going to perform, our group was a bit scared, but then we felt happy after we performed. It was a lovely trip to experience.

Tehzeeb: The dance trip was an amazing experience and we were all confident and happy to perform there. I think all the performances were extraordinary and we all loved the trip!

Sakeena: My favourite part of the day was performing and seeing the amazing dances, also seeing some famous dancers judging us.

Noor: I really enjoyed the dance trip. I especially liked when we watched the other schools dance performance. We didn't win but the whole trip and experience was still really fun! I hope we have a chance to compete again.

New members of the school!

Zohan in Goldfinch said "when they were hatching, I saw the egg was shaking and I knew the chick was trying to crack the egg and hatch out. I was feeling excited, and I really wanted a chicken to be born. Then suddenly, a grey chick came out and I was shocked because I only saw yellow chicks! The chicks are very noisy but we will look after them and send them to a farm when they are older."

See pictures further in the newsletter.

Have a great weekend

Miss Jennings Head Teacher

Bookings for Holiday club are open for the summer holidays.

PTA Events

We met on Tuesday to talk about up and coming fundraising events for the school.

June 12th to celebrate the start of the World Football Cup, we will be having a non- uniform day and asking for a donation of £1.

June 18th to celebrate Father's Day (21st) we will be having a cake sale and there will cards on sale. There will also be a drawing competition with the children drawing a picture at home of a man who they look up to and is their role model.

July 11th is the summer fair.

If you think you can help by helping on the day or by donating a raffle prize that would be a great help. We will be asking people to have estate boards advertising the event.

A colorful illustration of five children in a field. At the top, a bright sun shines over a blue sky with white clouds. Below, a green field with rolling hills and a white fence is visible. In the foreground, five children are depicted: a boy in a red hat and green shirt waving, a girl in a red dress playing a yellow guitar, a girl in a yellow and red striped shirt and brown overalls, a girl in a blue shirt and red overalls waving, and a girl in a green dress with a heart cutout. The scene is decorated with various flowers like daisies and orange blossoms.

Art projects in the community

A note from the artist:

We are currently working on the mural plaque and waiting for council text sign off – it should be installed within the next few weeks. The plaque will share that the mural was designed through workshops with Mission Grove Primary School Art Councillors, and will include a QR code linking to a fuller community engagement document where all participating students will be individually credited and it will include their work. We want to make sure everyone who contributed is properly recognised, and that document will be the place where all names and contributions are celebrated. More details to follow once the plaque is confirmed.

Thank you once again for everything. It has been a real pleasure working alongside you all, and I hope you enjoy seeing the finished mural on the High Street!
