Don't forget  
parents'  
evening!

Can I start by apologising for the lack of newsletters for the last 2 weeks. I have no excuse other than it has been a very busy couple of weeks. But what a great few weeks it has been. The year 6 did a fantastic job with their enterprise week, raising funds for their end of year events. Sports week and sports day showed the children embodied the Olympic and school values. Thank you to all of the parents who came to support the Sports day and understanding why we finished it slightly early.

### Wiggins came first

Ennis was 2nd, Peacock was 3rd and joint 4th was Farah and Holmes. Ennis has a secret weapon that added to their points—well done Khalid in Wagtail!

This week saw the year 6 children either head off to the Isle of Wight ( pictures on the website) or have activity days and visit their secondary school. We have had lots of trips and assemblies this week, showcasing the amazing learning that has been happening in Reception and Mrs Cartwright's class. Again, thank you parents for your on going support. The year 6 block hosted other schools for the Junior Citizenship week.

The choir were part of the Waltham Forest 'Songs of the Forest' at the Soho Theatre and performed brilliantly. One of the children after the rehearsals said 'that was great Miss Jennings' . I then explained that was just the rehearsal and we had the main performance to do yet. He then said 'Oh wow! I've got goose-bumps!' It is precious moments like this that remind me why I became a headteacher.

Thursday evening was our annual film showcase—The Mission Globes. Again, it was a fantastic celebration of work. The awards were different this year, in that we didn't award one from each year, we looked for the 7 best films. It was a great event, thank you to the staff who spent time decorating the hall to look the part.

Next week the children will meet their teacher on Friday and spend time in their new classrooms.

Next Saturday is the summer fair. We are going back to having a craft event too. Please see page 4 of this newsletter for arts and crafts you can do at home and bring to the fair for judging.

Have a great weekend

### Parent Meetings

Please make sure that you have gone on to the app and signed up for a 10 minute session with your child's class teacher.

All children should come tonight with a sealed envelope that contains their end of year reports.

Parent surveys will be coming out next week.

### House Point Trip

On Monday we will be announcing the house point trip winners for this year.

House points can be rewarded for many things including: well mannered behavior, demonstrating a caring attitude to others, working to the best of their ability, good attendance, and also for following the schools vision and values.

Year 3 enjoyed an exciting journey on the Thames Clipper as part of their Geography learning about rivers. Travelling along the River Thames helped pupils identify key physical and human features while understanding the importance of rivers to cities and communities. The trip also linked to UNICEF's Rights of the Child, recognising every child's right to learn, explore their environment and develop their talents through enriching educational experiences.

We had a wonderful assembly this week all about Windrush. The children heard about what the boat journey was like. They heard some music and had the chance to ask questions.
