

What do you think our new Science Topic will be?

will be?

Why might it be about that?

Our new Science Topic is

BEING HUMAN

We will be learning about how to keep ourselves healthy.

Before we start, who can remember our learning from last term - what do all humans and other living things do?

7 Signs of Life:

Eating

Pooping

Growing

Breathing

Moving

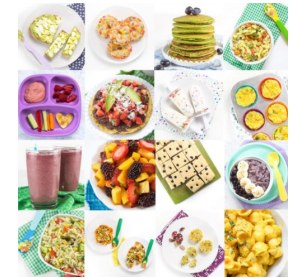

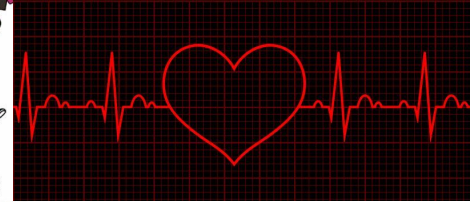

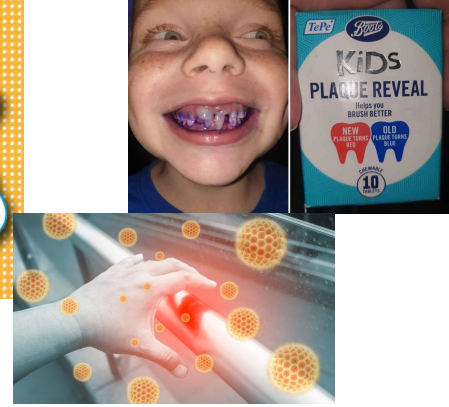

Making more of it

Responding

Who can tell me some way that human beings keep themselves healthy?

Let's use our capital letters and full stops.

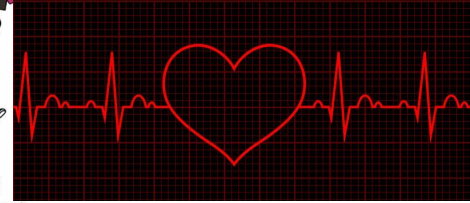

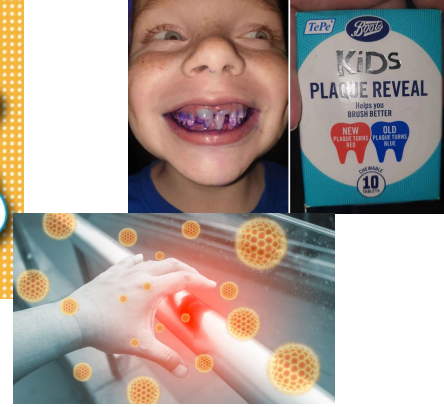

Questions begin with a question word and end with a question mark.

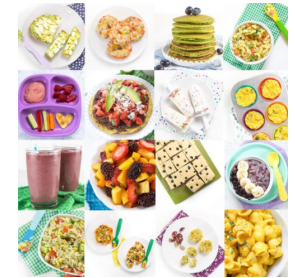

Who would like to ask a question about how we keep ourselves healthy?

Let's write the question together.

Who can ask a question about how we keep our bodies healthy?

Let's use our capital letters and question marks.

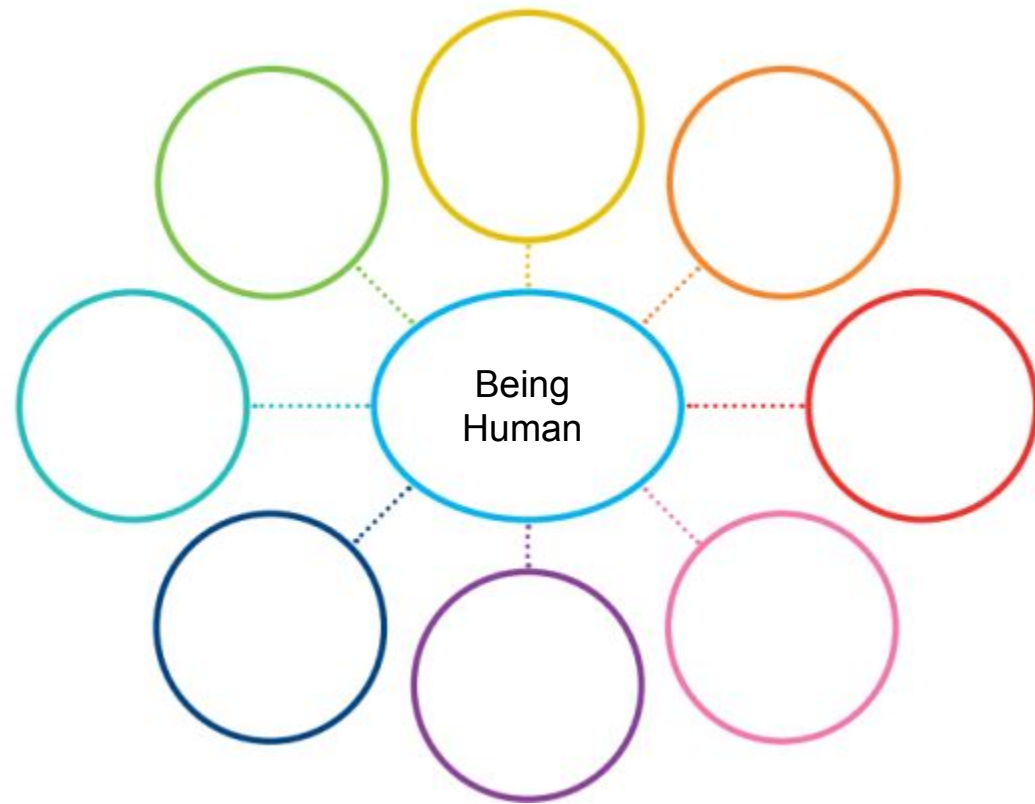

Task

Create a topic map for our new Science Topic - Being Human.

In one colour write all of the ways you know that humans keep themselves healthy.

In a different colour write down questions about being healthy that you would like to find out more about.

Remember your capital letters, question marks and full stops.
