

LO: To identify the features of 3D shapes. 3.3.21

I can name 3D shapes.

I can identify shapes in the world around me.

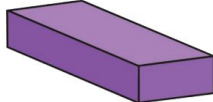

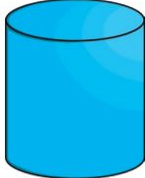

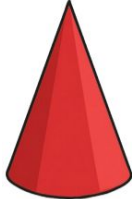

I can count the number of faces a shape has.

I can count the number of edges a shape has.

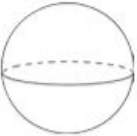

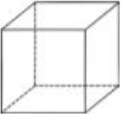

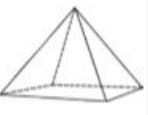

I can count the number of vertices a shape has.

Teacher TA Peer Self Numeracy

square based pyramid
sphere
cuboid
cone
cube
cylinder

Picture of Shape	Name of Shape	Number of Faces	Number of Edges	Number of vertices/ corners	Where are they found?
					
					
					
					
					
					

Use the key to colour in the 3D shapes correctly.

Key	
	red
	blue
	green
	purple
	orange
	yellow
