

7<sup>th</sup> May 2025

Dear \_\_\_\_\_,

Congratulations for getting to this year's Mission Grove Spelling Bee Final! You should feel proud of your super spelling skills. The final will be on the 30<sup>th</sup> April at 9.30am for year 1,2 & 3 and 10am for years 4,5 & 6 - please bring along family to support you.

There will four children from each year group. This year we will have a winner for each year group.

**Q. Will I have to spell in front of an audience?**

A. The finals will be conducted in front of an audience in the dining hall on North.

**Q. Which words will I be asked to spell?**

You will have already been asked words from your year group spelling list. Attached are some words that are appropriate for your year group, however you will be asked other words as well. These could be from your year group or from a higher year group. For KS2 children, there will also be 'extra challenge' words that you may have to try and spell. As you are practising your spellings, think about spelling patterns and rules, as these will help you understand how to spell other words too, even ones which are not listed.

**Q. In the competition, will I need to spell the words aloud?**

A. Yes, contestants will be asked to spell the words aloud, letter by letter.

There will be a trophy and a prize for the winners!

If you have any further questions, please do not hesitate to ask your class teacher. Good Luck!

Miss Jennings
