## Nappy/Toileting

One of the biggest things that your child will develop whilst at our setting is their sense of independence, from selecting toys and activities to dressing themselves. We will have a nappy changing facility for those children who are not yet ready for toilet training. We work together with parents to toilet train their child with a range of strategies and advise. Please let us know if you need any help or advice with toilet training.

## Our topics

We have created many exciting learning experiences and trips covering our topics which will be:

All about me

Nursery rhymes

Colours

Numbers around us

Shapes

Bears

Each child will be allocated a 'key person' who will help your child feel safe and cared for. They will support your child's development and act as the key point of contact with parents. We ask for a small contribution of £3 every half term to go towards planning great activities.

There are 7 key areas of learning which are all important as they combine to ensure young children make good, strong progress in their earliest years.

Communication and Language

Literacy

Mathematics

Understanding the World

Expressive Arts and Design

Personal, Social and Emotional Development

Physical Education
